The Honorable Harvey S. Peeler:

I am a candidate for re-election to a seat on the Clemson University Board of Trustees. The election will be held on Wednesday April 27, 2016.

I am the senior member of the board, completing my seventh consecutive term since 1988. These 28 years of service have been a LABOR OF LOVE. Service on the Clemson Board enables me to PAY MY CIVIC RENT and give back to an institution that has done so much for me, my family and my business.

I have committed my time and money to the advancement of Clemson and South Carolina students who like me, come from small towns like Darlington, as well as supporting students from all around the state from all walks of life.

In addition to my board service at Clemson, I currently serve as an Adjunct Full Professor in the College of Business and Behavioral Science. I held an Adjunct Full Professor appointment in Horticulture from 1988 until 2015. I am also currently serving for the second time as the Research Sector Universities representative on the Commission on Higher Education.

I am personally and professionally committed to Clemson University. My oldest daughter, who is now part of the family business is also a Clemson graduate and member of the Clemson Board of Visitors.

I Love Clemson University. I am always advocating for Clemson. As my 30 year old business, ENVIRO AgScience, Inc. has grown regionally and nationally, many of my customers refer to me as "that Clemson guy."

I would appreciate your vote and support of my re-election to the Board.

Sincerely,

Dr. Louis B. Lynn
